

UDAAAN 2016
AIWC Project by Ujjawal Women's Association, Delhi
July- September 2016

Project UDAAAN, a need based skill training programme started from July 2016 at the UWA office in NirmanVihar, Delhi.

25 students, between the age of 18 to 30 were trained

Photographs of the activity, month-wise, according to syllabus followed at the center:--

» 1st month- threading, manicure, pedicure and basic theory of mehndi designing.

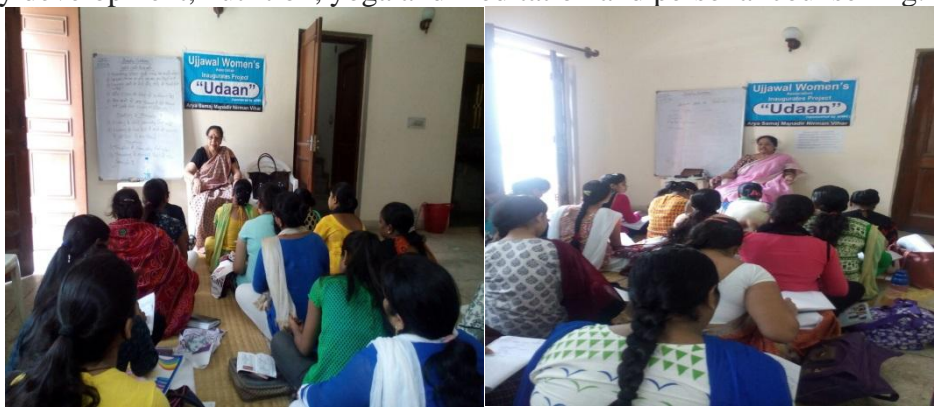

» 2nd month- scrub, bleach, simple facial and food facial.

» 3rd month- thermo facial, peeling, waxing and saree style

Expert Member took the initiative to give talks on personal hygiene, skin and health care, personality development, nutrition, yoga and meditation and personal counselling.

The project is being carried out with great dedication and care by both the students and instructors. During the course of interaction with the learners it has been realised that some of them have great talent and potential. Most of the girls want to set up their own beauty centre in order to earn a livelihood. This way the project is really benefitting the girls.
